INFORMATION ON COOKIES

What is a cookie and what is it used for?

A cookie (or cookie) is a text file that can be saved, subject to your choice, in a dedicated area of the hard drive of your terminal (computer, tablet ...) during the consultation of an online service through your browser software. It is transmitted by the server of a website to your browser. Each cookie is assigned an anonymous identifier. The cookie file allows its issuer to identify the device in which it is stored during the validity period or storage of the relevant cookie. A cookie does not allow tracing to a natural person.
